Subject Fwd: Maganese Study in Nov 2011

What should I write her? We are still waiting for funding from EPA? I could wait and tell them we are working on obtaining funds?

thanks,

Rosemarie

**Subject:** Maganese Study in Nov 2011

Dear Dr. Bowler,

My husband & I were in the Maganese study performed in East Liverpool, Ohio in November 2011. We have not received our results from the different tests performed.

Would you be so kind  
to send them to us, we are most interested.

Sincerely,
